

UL Listed and CSA Certified

SHC1022SS

Dimensions = mm

Stainless steel cord connectors provide superior strength and corrosion resistance for industrial and military applications. They are machined from 300 series stainless steel and come in 1/4" through 1" NPT hube sizes. IP66 suitability when used with optional metal clad O-ring. For hub sizes 1/4" and 3/8" and further connectors or optional O-rings, please request.
