

## Locking Blade Devices, Armored Vinyl, 15A/20A, 125V/250V

### Locking Blade Plugs and Connectors, Armored Vinyl

*Used in Country:*

**USA, Canada**

#### **SPECIFICATIONS:**

- Ratings: 15 or 20 Amp.
- Meet NEMA and ANSI C-73 requirements
- UL Listed, Class AXUT
- CSA Certified

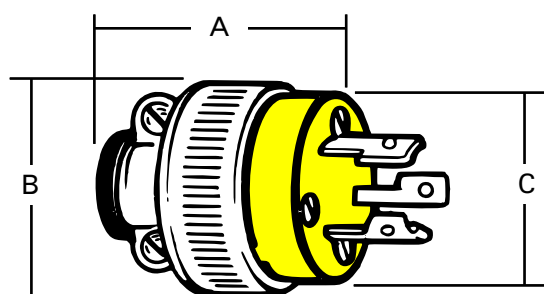

15 Amp.	
NEMA L5-15R	
15A/125V	
NEMA L6-15R	
15A/250V	
NEMA L7-15R	
15A/277V	
20 Amp.	
NEMA L5-20R	
20A/125V	
NEMA L6-20R	
20A/250V

#### **FEATURES:**

- Easy locking - just turn to lock or unlock.
- Heavy double wipe copper alloy contacts.
- Large head terminal screws.
- Steel clamps and armor are heavy plated for corrosion resistance. Armor is knurled for easy gripping.
- Solid brass plug blades are firmly embedded into body.
- Plug and connector terminal screws are large head for easy wiring, separated by barriers to prevent flash-overs.
- Strain relief clamps are superior design to provide secure mechanical gripping action.
- UL Listed (File #E15012 AXUT), CSA approved (File #2081).
